The Chinese Communists are building 2,000 barracks with a 30-man capacity each at the foot of Wui (武夷) Mountain north of Ch'ungan (117-56, 27-42). This is adequate housing for two armies. One hundred warehouses for food storage, each with a capacity of 1,000 bags of rice, are also being built near Ch'ungan. Completion of the construction of both projects is scheduled for August.
